Niall.Byrne@caras.com.au

Niall is an enthusiastic and dedicated professional who has gained valuable experience working a wide variety of projects ranging from industrial, commercial & residential building, demolition and remediation to large scale civil infrastructure and mining infrastructure projects.

He has shown an adapt skill of working in different jurisdictions from major cities such as Dublin, London, Sydney to rural locations such as South Australia, Queensland and Victoria whilst engaging with a variety of project stakeholders such as the EPA, Housing NSW, BHP Billiton, NSW Ports, local councils, Project Certifiers and the Department of Planning.

Niall joined CARAS in October 2014 to provide clients with specialist advice and client side project management services for civil construction and remediation projects with a commitment to produce a service that exceeds his client's expectations.
